

miniTISSUE

NEW!

The miniTISSUE that turns into a cloth...
from mint to handkerchief size!

PURE, PORTABLE, PRACTICAL...

Simply pour water over a miniTISSUE and it will rise to its full size and cleaning potential!

A miniTISSUE belongs in every car, office and school bag. Ideal for camping, baby care, in restaurants and at picnics. The perfect travel companion handy for wiping, cleaning or just to freshen up!. Practical everywhere you go.

Suitable for all skin types

- no preservatives
- no anti-bacteria
- no alcohol

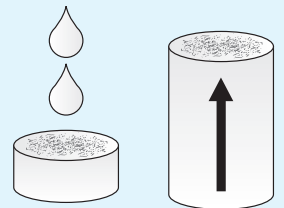

Environmentally friendly

- 100% natural material
- Biodegradable, decomposes itself
- Made from cotton based viscose. Exceptional quality.

The ultra-lightweight, clever cleaning companion – Each minitissue is individually flow-wrapped and well protected to stay absolutely clean, germ and bacteria free.

HOW IT WORKS

1. Simply pour drops of water over a miniTISSUE...

2. Watch it expand...

3. Unfold to produce 250mm x 250mm cotton tissue – ready to use!

In the Car

Baby Care

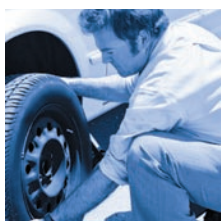

Picnics

Camping

In the Office

Handyman Clean-Up
